

THE M3 CS

*Actual car specifications may vary from the picture shown above. Details for the options available, please speak to your authorized BMW dealer.

Experience extreme performance, exclusivity, and design perfection in the M3 CS. Competent enough for everyday drives and extraordinary enough for the most discerning BMW driver. Ultra-lightweight Carbon Fiber elements – including the hood, roof, front splitter, rear diffuser, and trunk spoiler – make speed and style part of every drive. Standard LED Headlights with Laserlight and yellow accents give the M3 CS a unique track-ready look, while CS-specific red badging provides an unforgettable aesthetic.

Stunning every time you strap in for a drive, the M3 CS sports a 4-seater design. Maximally minimalist design is a throughline. A sports car cockpit designed with concentrated driving pleasure and maximum performance in mind: The driver and front passenger are welcomed as standard by lightweight M Carbon bucket seats in a model-specific design. The standard equipment roster for the BMW M3 CS also includes M seat belts, interior trim strips in carbon fibre finish and an M Alcantara steering wheel.

The M TwinPower Turbo inline 6-cylinder features superior power delivery and a puristic and fascinating M feeling over every mile. The assembly has been further developed and delivers an outstanding 551 hp peak output and the maximum torque of 650 Nm will take you 0 to 100 km/h in 3.4 s. An intelligent lightweight construction featuring a large number of carbon-fibre components, plus increased engine power, exclusive design features and a specification precision-honed to deliver an exhilarating performance experience on the track give this special model the top position among BMW M's high-performance sedans.

THE M3 CS.

M3 CS.
