

THE M4 CONVERTIBLE

*Actual car specifications may vary from the picture shown above. Details for the options available, please speak to your authorized BMW dealer.

The exceptional BMW M xDrive system delivers AWD traction and performance with the RWD feel of a traditional sports car. The M specific technology combines the typical agility of a rear-wheel drive with the control of an all-wheel drive. An exhilarating engine, precise shifting, and impeccable power distribution makes The M4 Convertible a fierce contender.

The driver-focused interior boasts standard M Carbon Seats with illuminated badging, for a refined yet sporty atmosphere. Beautifully designed and crafted to incorporate carbon fiber elements, these seats shave pounds off the overall vehicle weight. Soak up the couple-like lines, athletic enhancements, and driver-focused interior that make it a standout sports car.

BMW M engineering is the source of power and pride in this sporty convertible. The BMW M TwinPower Turbo 6-cylinder inline petrol engine features superior power delivery and the unmistakable M engine sound. The two turbochargers, a direct high precision injection, and the fully variable valve control (amongst other high-performance elements) come together perfectly to deliver outstanding performance, everytime.
