The models, standard equipment and combinability of equipments in this specification sheet relate to cars supplied for Indonesian market. The availability of the equipment and configurations may vary from country to country for all models. For details of the options available in your country, please speak to your authorized BMW dealer. Subject to changes in design and equipment without prior notice. The recommended on-the-road NIK2024 price are based on DKI Jakarta government tax regulation and 1st car registration. Price on some models do not include WHT22 extra luxury tax for cars above IDR 2 billion or engine displacement above 3,000cc.
